Dear German:

Enclosed please find the revised draft for the patent application entitled "Endoluminal Access Devices and Related Methods of Use".

Please review the draft carefully to ensure that it fully and accurately describes the invention. If minor errors are present, please make any deletions or insertions in black ink, making sure to initial and date each one. If more substantial changes are required please let me know and we will have the application retyped.

If the application is complete as written or with minor corrections, please execute the enclosed Declaration and Assignment documents where indicated, noting that the <u>Assignment must be notarized</u>. I would like to receive these documents back as soon as possible and have enclosed a self-addressed return Fedex envelope for your convenience.

If you have any questions or concerns, please do not hesitate to contact me at (508) 650-8768.

Very truly yours,

Kathleen Cronin Patent Secretary
